(2) Provided, upon request by the individual alleged to be responsible for the claim, the opportunity to review the claim, including an opportunity for reconsideration of the initial decision on the claim; and

### ADMINISTRATIVE OFFSET PROVISIONS

SOURCE: Sections 17.100 through 17.118, 49 FR 32351, appear at Aug. 14, 1984, unless otherwise noted.

#### § 17.100 Scope.

(a) The standards set forth in §§ 17.100 through 17.118 are the Department's procedures for the collection of money owed to the government by means of administrative offset. These procedures apply to the collection of debts as authorized by common law, by 31 U.S.C. 3716, or under other statutory authority. These procedures will not be used when a statute provides its own collection procedure, for procedures for grant reduction as a remedial action in grant programs (including the CDBG program), when explicitly prohibited by a statute, or when the United States has a judgment against the debtor. Unless otherwise provided for by statute, these procedures do not apply to an agency of the United States, a State government, or unit of general local government. In addition, these procedures do not apply to debts arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602), the Social Security Act (42 U.S.C. 301-1397f), or the tariff laws of the United States.

(b) The Secretary will use administrative offset to collect claims which are certain in amount in every instance in which collection is determined to be feasible and not prohibited by law. The Secretary will determine feasibility on a case-by-case basis, exercising sound discretion. In determining feasibility the Secretary will consider:

- (1) The debtor's financial condition;
- (2) Whether offset would substantially interfere with or defeat the purposes of the program authorizing the

payments against which offset is contemplated; and

(3) Whether offset best serves to further and protect all of the interests of the United States.

#### § 17.101 Coordinating administrative offset with another Federal agency.

(a) *When HUD is owed the debt.* When the Department is owed a debt, but another Federal agency is responsible for making the payment to the debtor against which administrative offset is sought, the other agency shall not initiate the requested administrative offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) *When another agency is owed the debt.* The Department may administratively offset money it owes to a person who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the person has been given the procedural rights required by 31 U.S.C. 3716 and 4 CFR part 102.

#### § 17.102 Notice requirements before offset.

Except as provided in § 17.103, deductions will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with a minimum of 30 calendar days written notice. This Notice of Intent to Collect by Administrative Offset (Notice of Intent) will state:

(a) The nature and amount of the debt;

(b) That the Secretary intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(c) That the debtor has a right to obtain review within the Department of the Secretary's initial determination of indebtedness (see § 17.104);

(d) That the debtor has a right to inspect and copy Department records related to the debt, as determined by the
